

## 351/357 Stephen Street - Land Titles

Built c. 1896 for Mr. H. Meikle, the main floor housed Meikle's general store and the Bank of Hamilton. A community hall was on the second floor. This is a utilitarian building with classic details added. Note the cornices.

Above the Meikle store, which operated until 1910, Maude Fawcett and Ella McClain had their dressmaking establishment. Barrister McLeod, Black and MacAuley also had offices on the second floor until c. 1940.

A photograph of the building taken in 1945, shows Manitoba Telephone System employees in front of their offices.
